### Be tickled pink about Purple Day events

EPILEPSY Queensland is proud to be the official Australian Purple Day partner and has joined up with other epilepsy organisations from across the globe to make Purple Day 2010 even bigger.

Purple Day on March 26 is a day where people are encouraged to wear purple to work and host Purple Day events and promotions for epilepsy awareness.

“Purple Day is a powerful step toward demystifying the disorder that plagues many,” Epilepsy Queensland CEO Helen Whitehead said.
